

'Fan of ADPHONE' in Facebook

Guide to getting bonuses and special offers.

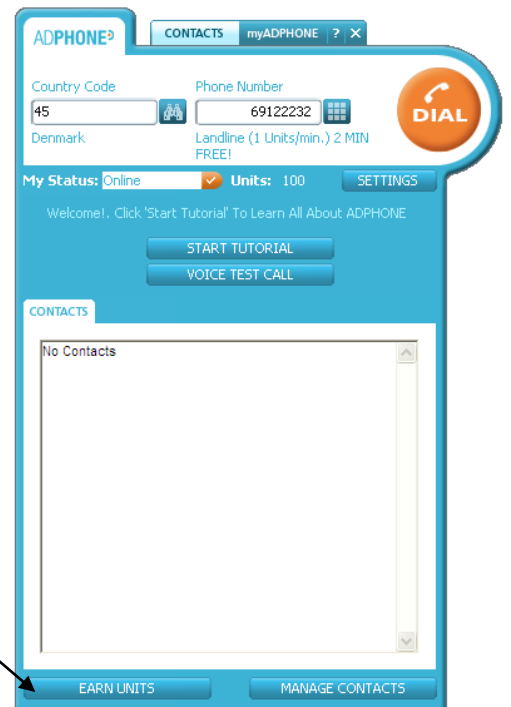

Users, who are registered as "FAN of ADPHONE" in Facebook, are entitled to bonuses and offers, which are unavailable for other users. These offers may vary from time to time, and you will always be able to find an updated version of this guide on our ADPHONE Fan Page.

How to start?

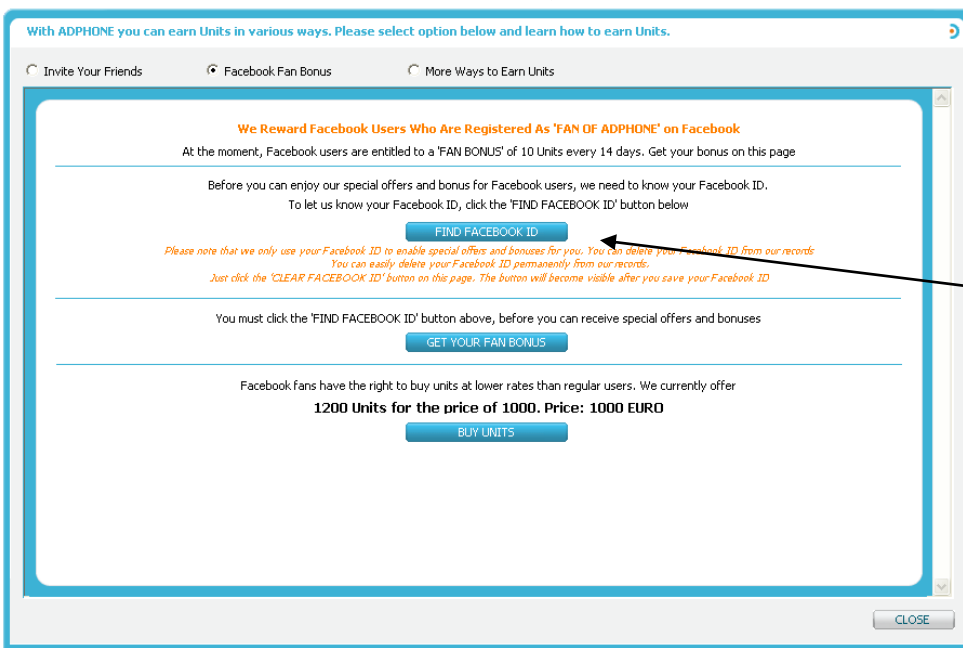

We need to know your Facebook ID in order for us to give you a bonus and provide you with special offers. We will only use your Facebook ID to verify your FAN status. The only way you can let us know your Facebook ID, is through the ADPHONE software. Please note that you need at least version 3.0.36 released May 6th 2008. If you have an older version, please upgrade to the latest version here:

Once you have the latest version, you must open ADPHONE, and make sure it is expanded (by clicking "CONTACTS" or "myADPHONE"). When expanded, you will see a button called "EARN UNITS" here:

When you click the "EARN UNITS" button, a new window appears.

If we already know your Facebook ID, please see next page.

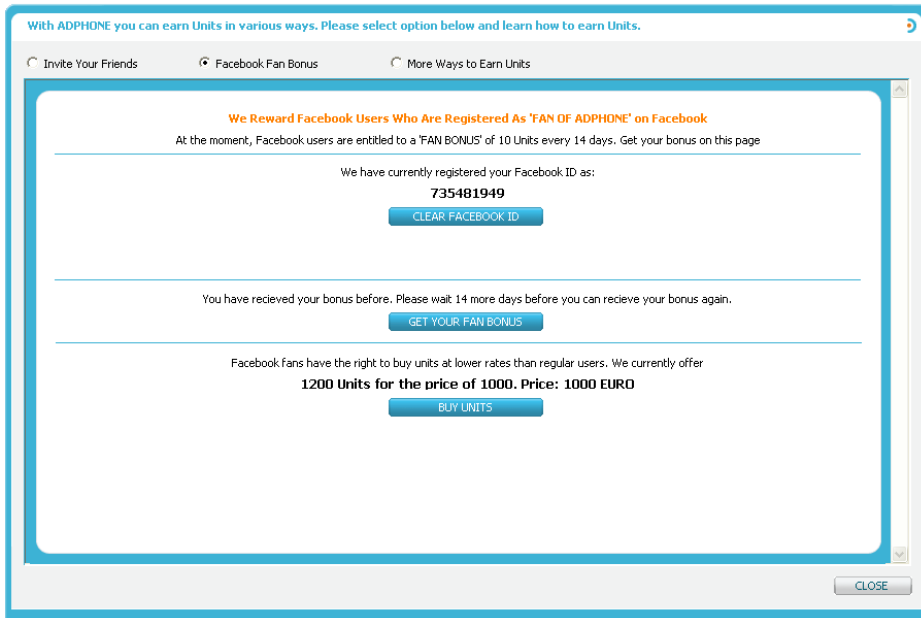

If we don't know your Facebook ID, click the button

'FIND FACEBOOK ID'

And follow the instructions on your screen.

How to get a FAN BONUS regularly

We currently offer a 'FAN Bonus' regularly to all users who have identified their Facebook ID with us, and who have registered as 'FAN of ADPHONE' in Facebook. When we know your Facebook ID, the 'EARN UNITS' page will look like this:

If you are entitled to a bonus, please click the 'GET YOUR FAN BONUS' Button. Once you receive your bonus, please come back to this page regularly to see if you can get a new bonus.

Special Offers

Units at low prices are also available from the 'EARN UNITS' page. The offer may change regularly but we always offer better prices than we do on our web site. When you click the 'BUY UNITS' button, you will be prompted for traditional creditcard details. Complete your order, and receive your Units instantly.
